Dear Mr. Zavalani:

The Department of Transportation (Caltrans) received the attached Certified Disabled Veteran Business Enterprise (DVBE) Summary for Contract No. 08-1F5004 from Pave-Tech, Inc. (Pave-Tech). Caltrans established a DVBE goal of 3.0 percent for this project. Pave-Tech initially claimed a DVBE commitment of 3.04 percent of the total bid amount.

Caltrans reviewed the bid documents and Pave-Tech did not submit the Certified Small Business Entity list for the Non-Small Business Preference by 4:00 pm, March 20, 2015. Therefore, Pave-Tech is not eligible to receive this preference.

Furthermore, Pave-Tech listed (for credit toward the DVBE goal) Sapper West (Sapper) to prepare a Water Pollution Control Program in the amount of \$595.00. The Office of Business and Economic Opportunity, Contract Evaluation Branch (CEB), determined that Sapper could not be counted toward the DVBE participation because Sapper does not have the proper classification to work on this project. Therefore the total dollar amount counted towards the DVBE goal was reduced to \$73,040.00 or 3.02 percent of the total bid amount. Pave-Tech still meets the DVBE participation goal for this contract.

The Resident Engineer will receive a copy of this letter for contract administration compliance.

If you have any questions, please contact Tim Bullivant, Branch Chief, Contract Evaluation Branch at (916) 324-1805.

Sincerely,

A handwritten signature in black ink, appearing to read 'John C. McMILLAN'.
